23 August 1965

MEMORANDUM FOR: Assistant for Plans & Development, NPIC

ATTENTION :

FROM : Chief, Imagery Analysis Division, CIA

SUBJECT : Requirements for 13X Tube Magnifier

REFERENCE : PID/OSS, memorandum 99/65 dated 24 May 1965,  
Subject: Evaluation of 13X Tube Magnifier

1. In response to your conversation of 19 August 1965 with [redacted] CIA/IAD/OSS, it has been determined that the Imagery Analysis Division has a requirement for 250 of the 13X Tube Magnifiers manufactured by [redacted]  
(At an approximate unit cost of [redacted])

2. Expected utilization of these magnifiers is as follows:

a. CIA/IAD/ABCB:	25
b. CIA/IAD/GMB:	70
c. CIA/IAD/IB:	70
d. CIA/IAD/MEB:	75
e. CIA/IAD/OSS:	10
Total Units	250

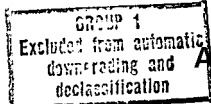

3. The above requirement is based on your comments that various measurement recticles will be available for these tube magnifiers. We are interested in learning the type and variety of recticles available for this instrument, and the production cost of such rectiles.

Enclosure: Tube Magnifier

Distribution:

Original - Addressee  
2 - OSS/IAD
